

Router

BOSCH GMR 1 PROFESSIONAL

- * Robust aluminium base – durable, solid and precise
- * Fast and precise depth setting for rough and fine adjustment
- * Unique handle recesses for additional stability, especially when routing edges
- * Practical front spindle lock on the motor for easy router bit changes with an open-ended spanner
- * Quick-change system for easy locking of the motor in different basic units
- * Palm grip design – The most comfortable palm router in its class
- * Angled cable outlet keeps cable out of the way
