

Jigsaw

GST 25 M Professional

Technical data: GST 25 M Professional

Product description	Jigsaw
Positioning	Fastest metal cutting speed in class
User benefits	Improved tool lifespan by 20% in metal cutting
User benefits	Improved tool lifespan by 20% in metal cutting
User benefits	Improved tool lifespan by 20% in metal cutting
Other features	Blower on/off- airstream for keeping the cutting line free of sawdust
Other features	Blower on/off- airstream for keeping the cutting line free of sawdust
Other features	Blower on/off- airstream for keeping the cutting line free of sawdust
Other features	Blower on/off- airstream for keeping the cutting line free of sawdust
Technical Data	
Rated power input	670 W
No-load stroke rate	500 - 2600 spm
Weight without cable	2.7 kg
Stroke height	24 mm
Cutting depth	
Cutting depth in wood	80 mm
Cutting depth in aluminium	25 mm
Cutting depth in non-alloyed steel	15 mm

Benefits: GST 25 M Professional

- Blower on/off- airstream for keeping the cutting line free of sawdust
- Orbital Action: optimized two orbital selection for the fastest and precise metal cutting
- Constant Electronic Control System and variable speed dial
- Soft grips on handle area - comfortable operation with less vibration
